Purpose of This Handbook

This handbook is designed to guide Candidates, Ambassadors, Junior Ambassadors, parents/guardians, and chaperones through expectations and procedures for appearances throughout the Ambassador year. It ensures consistency, safety, professionalism, and pride while representing the Rice County Fair and Ambassador Program.

Mission of the Rice County Fair Ambassador Scholarship Program

The Rice County Fair Ambassador Scholarship Program is dedicated to recognizing and empowering young leaders who exemplify community pride, integrity, and a passion for the traditions of the Rice County Fair. The program is committed to developing leaders in our community who serve as positive role models and ambassadors for both the fair and Rice County as a whole.

Through participation, ambassadors build valuable life skills such as public speaking, interview techniques, self-confidence, and networking. By providing opportunities for personal growth, leadership development, and community engagement, the program inspires youth to celebrate our county's heritage while promoting the fair as a place where education, service, and excellence come together.

Candidacy

Participation in the Rice County Fair Ambassador Scholarship Program begins with candidacy. By submitting an application and participating in the Ambassador selection process, candidates agree to uphold the values, expectations, and standards of conduct established by the Rice County Fair Ambassador Scholarship Program.

Candidates and their parent(s)/guardian(s) are expected to conduct themselves in a respectful, responsible, and professional manner throughout the candidacy process and, if selected, during their Ambassador year. This includes adherence to all program rules, appearance expectations, communication requirements, and the Code of Conduct.

Candidates and their parent(s)/guardian(s) acknowledge that participation in the program is a privilege. Failure to meet program expectations during the candidacy process or Ambassador year may result in disciplinary action, up to and including disqualification, removal, or forfeiture of scholarship eligibility, as determined by the Ambassador Committee.

Selection as an Ambassador signifies a commitment to actively represent the Rice County Fair Ambassador Scholarship Program with pride, integrity, and enthusiasm throughout the Ambassador year.

Candidates may apply for the Rice County Fair Ambassador Scholarship Program more than once if they are not selected and continue to meet all eligibility and candidacy requirements. However, an individual may be selected to serve as a Rice County Fair Ambassador only one time for each age group.

Candidacy Communication and Scheduling

Candidates and their parent(s)/guardian(s) are required to use the designated communication platform (Band App) for all candidacy-related information and updates. Access to the Candidate Band group will be provided during the Candidate & Parent(s)/Guardian(s) meeting held following the conclusion of the candidate application process.

Candidates will receive a tentative schedule for the Rice County Fair Ambassador Scholarship Program Candidacy at the Candidate Information Nights. A finalized candidacy schedule will be distributed at the Candidate & Parent(s)/Guardian(s) meeting after the application process has concluded.

Candidates are expected to attend **all** required candidacy events, meetings, rehearsals, and activities as outlined in the final schedule. Absences must be communicated in advance to the Ambassador Committee and may require approval.

Ambassador Commitment

An Ambassador's year is what they make it—initiative, engagement, and enthusiasm are encouraged at every appearance.

As a Rice County Fair Senior Ambassador and Junior Ambassador, you are an exclusive representative of the Rice County Fair for the duration of your one-year commitment. There are many appearances throughout the year and event dates will be communicated at scheduled planning meetings.

The Ambassador Committee will meet with current Ambassadors and their parent(s)/guardian(s) at scheduled planning meetings held periodically throughout the Ambassador year to review expectations, discuss upcoming events, and collaboratively plan activities for the year. Parent(s)/guardian(s) and Ambassadors are required to RSVP for all events following each planning meeting so the Ambassador Committee knows who will be attending each event.

Parent(s)/guardian(s) and Ambassadors will receive weekly emails, typically sent on Sunday, outlining upcoming events, event details, attire requirements, and other important information for that week. It is important to respond to the emails with needed details with the time frame given in the original email.

- Commit to attending as many requested appearances as possible, including local parades, coronations, volunteer opportunities, and sponsor events.

Ambassador Expectations

Ambassadors are expected to represent the Rice County Fair Ambassador Scholarship Program with professionalism, pride, and respect at all times.

- Act with discretion at all times.
- Wear the crown or cowboy hat and sash, along with the predetermined outfit, when attending events.
- Ensure clothing is clean, neat, and presentable.
- Maintain well-groomed hair and appropriate personal hygiene.
- Promote the Rice County Fair not only at events, but also with family and friends by inviting them to attend scheduled activities.
- Treat fellow Ambassadors, their parent(s)/guardian(s), and any family members assisting with events or appearances with respect.

Ambassador Attire

The following items are examples of attire that may be provided to Ambassadors by the Ambassador Program and may vary from year to year:

- Crown and/or Cowboy Hat
- Ambassador Sash
- Ambassador Name Tag
- Ambassador Jacket
- Fair logo t-shirts
- Ambassador Jewelry

Ambassadors are responsible for the proper care and upkeep of all provided attire and are expected to wear required items at events and appearances as directed by the Ambassador Committee.

Some attire items may be the responsibility of the Ambassador and their family to purchase. Ambassadors also participate in fundraising opportunities throughout the year to help offset attire and appearance-related costs.

If any provided attire or accessories are lost, damaged, or destroyed, replacement costs will be the responsibility of the Ambassador and their family.

Some items may be loaned to Ambassadors for specific events (such as lights for night parades, winter headbands, or similar accessories). Loaned items remain the property of the Ambassador Program and must be returned promptly following the event(s).

Ambassador Appearances & Events

All Ambassador appearances will be determined at the planning meetings. We understand that some appearances may come up between planning meetings and these will be communicated with Ambassadors and their parent(s)/guardian(s) as soon as possible.

The Ambassador Committee will meet with Ambassadors and their parent(s)/guardian(s) at scheduled planning meetings held periodically throughout the Ambassador year to review expectations, discuss upcoming events, and plan appearances. The option to attend scheduled planning meetings virtually is an option, but in person is preferred. The Ambassador Committee will reach out with options for dates to find what works best for the group to meet. Following each planning meeting, parent(s)/guardian(s) and Ambassadors are required to RSVP for all events so the Ambassador Committee knows who will be attending and can make arrangements for each event and appearance. We work with Ambassadors on schedules so they can continue to participate in activities and family events during their year of service.

Some events and appearances may be designated for specific groups within the Ambassador Program. Certain events may be intended for Senior Ambassadors only, Junior Ambassadors only, or a combination of both, depending on the nature of the event, age requirements, scheduling, and representation needs.

Event Attendance & Chaperone Requirements:

- Ambassadors must be accompanied by a chaperone at all events. If an Ambassador Committee member is unavailable to chaperone, a parent or guardian must serve as the chaperone.
- Ambassadors will ride with a designated chaperone to all events so they arrive together for all events and leave together for all events.
- Ambassadors may attend events together or individually, but a designated chaperone must always be identified.
- All Fair Ambassadors must obtain prior approval from the Ambassador Committee when attending any event as a Fair Ambassador.
- All other travel expenses or fees are the responsibility of the Ambassador and family unless otherwise noted or covered by a fundraiser.

- Parent(s)/guardian(s) will be notified by the designated chaperone when the group is leaving an event and when they will return to the designated meeting point for pick up.

Communication Requirement

Ambassadors and parent(s)/guardian(s) are required to use the designated communication platform (Band App) for the Ambassador group.

The Band App will be used for event reminders, updates, RSVPs, real-time communication, and important announcements throughout the Ambassador year.

Parent(s)/guardian(s) and Ambassadors will receive weekly emails, typically sent on Sunday, outlining upcoming events, event details, attire requirements, and other important information for that week.

If communication to the child is unavailable, parents must respond for their child.

Week of the Rice County Fair

- While on the fairgrounds, Ambassadors should remain together as a group and be accompanied by a chaperone.

If an Ambassador is participating in shows or judging:

- Notify committee personnel of required times away.
- Check in before leaving the group for the event.
- After the event, change attire as needed and rejoin the group to continue representing the program.

Ambassadors are expected to:

- Be on time and ready for their day when arriving.
- Interact with community members of all ages throughout the fair and year.
- Dress appropriately and arrive each day in agreed-upon attire (discussed prior to the event).
- Limit time spent on phones or other electronic devices while at the fair, if you need to get in contact with your Ambassador please contact a Committee Member and they can get the information to the Ambassador to contact you.

Family and friends are welcome to visit Ambassadors and are encouraged to support them throughout the fair and during events all year.

Chaperones are expected to refrain from alcohol, tobacco, and substance use while in a chaperone role. When multiple adults are present, a single adult must be designated as the official chaperone to maintain accountability.

Chaperones are responsible for supervising Ambassadors, ensuring they remain together as a group, arrive on time, and follow all event guidelines.

Chaperones are expected to model appropriate behavior at all times. While serving as a chaperone for Ambassador events or appearances, chaperones shall not use or participate in the consumption of alcohol, tobacco products, vaping devices, or any other prohibited substances.

These images may be used for promotional, educational, and reporting purposes, including but not limited to social media, websites, printed materials, presentations, and program documentation.

Photos are an important part of the Candidate and Ambassador experience and documentation of the year. The Ambassador group will have professional photos taken during their year that will be used for official photos. Scheduling of these photos will be done during one of the planning meetings held during the year.

Photos taken during Ambassador events and appearances will be shared with Ambassador families through designated platforms, including Google Photos and the Band App. These platforms are used to provide families access to event photos, support program documentation, and assist with year-end reporting and promotion of the Rice County Fair Ambassador Scholarship Program.

Parade invitations are reviewed by the Ambassador Committee, and attendance is determined during planning meetings based on availability, scheduling, and overall program commitments. Ambassadors are expected to participate in program-approved fundraising activities as scheduled by the Ambassador Committee.

All fundraising efforts must be approved by and coordinated through the Ambassador Committee. Funds raised through Ambassador fundraisers are intended to benefit the program as a whole unless otherwise specified. Ambassadors and their families are expected to represent the program positively, act responsibly, and follow all guidelines provided during fundraising activities.

Participation in fundraising supports program sustainability and helps offset costs associated with Ambassador appearances and responsibilities.

Educational Scholarship

Upon the successful completion of the Senior Ambassador year of service, Senior Ambassadors become eligible to access the educational scholarship associated with the Rice County Fair Ambassador Scholarship Program. This scholarship is intended to support post-secondary education and may be requested in accordance with program guidelines, timelines, and documentation requirements as outlined in this handbook.

To receive any scholarship funds that may be offered, a person who becomes a Senior Ambassador must be successfully enrolled in a post-secondary educational institution, trade school, or the BUILD program. The Senior Ambassador may request their scholarship fund be dispersed after the completion of 1 academic term.

Any request for scholarship funds must be in writing and be accompanied by proper documentation. All requests should be submitted to the Ambassador Committee and the Fair Board Treasurer, or any other person designated by the Ambassador Committee to receive the request.

Disciplinary action may include, but is not limited to, warnings, probation, or disqualification from the program, as determined by program leadership.

The Rice County Fair Ambassador Scholarship Program Committee has the sole discretion to determine what constitutes a violation of program expectations and to decide whether an individual should be removed from the Ambassador program as a result of a violation.

If an individual is removed from the Rice County Fair Ambassador Scholarship Program or voluntarily resigns from their Ambassador position, any associated Ambassador scholarship will be forfeited and they will be unable to be a Candidate or Ambassador again in the future with the program. The Ambassador Committee reserves the right to request the return of any and all program-issued or loaned items. In addition, a formal resignation must be signed and returned within thirty (30) days of removal or resignation.
